

GARDEN VILLAS

LOCATION: AGHIA EFIMIA

With lovely views over Aghia Efimia to the bay and to the beautiful valley and surrounding mountains, we are delighted to offer our guests the opportunity to stay in the charming Garden Villas. The villas present a very high standard of accommodation on two floors; thought, care and attention to detail is immediately apparent.

The first floor has a charming double bedroom complete with T/V and fitted wardrobes give ample storage space. Double doors access the furnished balcony and those superb views. There is a separate fully fitted bathroom on this level having a full sized bath with shower over and a vanity unit is provided. The ground floor has a fully fitted dining kitchen area; there is a full sized oven with four hobs, a large fridge/freezer, toaster, coffee maker and kettle. The lounge area has comfortable seating which converts to provide extra sleeping capacity and there are double doors opening on to the furnished balcony affording the same superb views as the bedroom balcony. Thoughtfully a fully fitted shower room/toilet is also provided on this level. Each villa has air-conditioning throughout which is provided to our guests at no cost.

The garden and pool area are provided with loungers to complete your relaxation. The owners, Stavros and his wife Antonia, are in constant attendance and provide the level of care and attention to detail that will undoubtedly enhance your holiday here.

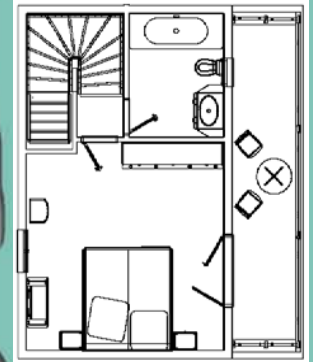

With all the village amenities a few short minutes stroll away and the popular Pergola taverna on your doorstep the Garden Villas are a perfect location for your holiday.
